

**A Resolution of the Common Council of the City of Evansville
In Support of Economic Development Incentives Offered to
Fisher & Company by the
City of Evansville to Expand Operations in the Facility at
2301 Saint George Road, Evansville, IN 47711-2561**

WHEREAS, the City of Evansville ("the City") is considering an economic development incentive to Fisher & Company ("the Company") to expand their operations into Evansville, IN, adding new jobs; and,

WHEREAS, the City is desirous of supporting the expansion of the Company's operations into Evansville, Indiana, and the usage of the 2301 Saint George Road, Evansville, IN 47711-2561 property; and the company will add 169 Evansville area jobs within the next two years; and,

WHEREAS, the City offers a local Hiring/Training grant in support of other incentives received by the Company from the State of Indiana; and,

WHEREAS, the local grant, combined with a grant from the State of Indiana and investment from the Company will support upgrading and expanding their infrastructure in the City of Evansville known as 2301 Saint George Road, Evansville, IN 47711-2561; and,

WHEREAS, the placement of new equipment that serves the 2301 Saint George Road, Evansville, IN 47711-2561 facility is required to support manufacturing, sales and logistics which will create 169 new jobs in Evansville.

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City of Evansville as follows:

Section 1. The Common Council finds that the proposed offer of a \$60,000 Hiring/Training grant, to be combined with a \$100,000 Skills Enhancement Fund grant from the State of Indiana, and the investment of approximately \$8 million in equipment by the Company will benefit the economic well-being of the City, the State, and their citizens, creating 169 new jobs.

Section 2. The Council supports the objectives and aims of the proposed incentive offer to Fisher & Company and, in approving this Resolution, states its support for the proposed grant.

Section 3. This resolution will be in effect from and after its passage and approval by the Mayor.

Kellie Dobek, Director of Manufacturing Operations
Fisher Dynamics Metal Forming
33180 Fisher Drive
St. Clair Shores, MI 48082, USA

Dear Ms. Dobek:

The following letter outlines the City of Evansville's commitments¹ to *Fisher Dynamics Metal Forming (Fisher)* with respect to the expansion of *Fisher* into Evansville, Indiana. *Fisher's* project will consist of approximately \$1 million in new infrastructure (build-out at St. George warehouse property or Garrison St. property) and \$10 million personal property investment in equipment new to the State of Indiana and the addition of approximately 166 new jobs at an average wage of approximately \$19.61 per hour.

Financial Assistance Funded From Tax Phase-In

The City will offer an 8-year Tax Phase-In on personal property investment on a Modified Schedule of Tax Abatement for the purpose of assisting *Fisher* with the Project. Tax Phase-In allows for the gradual phasing in of property tax that has occurred due to an increase in the assessed value of a building and/or the purchase of equipment. In an 8-year Tax Phase-In, any additional tax owed due to purchase of certain equipment occurs in graduated steps. Full taxes on these improvements will commence in the 9th year. The Modified Schedule of Tax Abatement allows for more aggressive abatement.

The 8-year Tax Phase-IN for personal property modified schedule provides an estimated value of \$583,035² based on a modified schedule of 100% abatement in years 1-4, 50% abatement in year 5, 38% abatement in year 6, 25% abatement in year 7 and 13% abatement in year 8.²

Training Grant – City of Evansville

The City will offer a Hiring/Training Grant in support of other incentives received by *Fisher* from the State of Indiana or State Workforce Development. The local hiring/training grant allows for a broad range of flexibility to support training activities, relocating machinery/equipment to be used in manufacturing process and training process, and/or recruitment. Further discussions could help identify the specific

¹ The commitments outlined in this letter do not include any incentive or assistance which may be offered directly to *Fisher* by the Indiana Economic Development Corporation or any other governmental units.

² This is an approximate amount and is dependent upon assumptions and projections of property tax rates.

needs of *Fisher*. This hiring/training grant is for a 50/50 company hiring/training match of \$600 for every Evansville resident hired over the next 2 years, up to a maximum of \$60,000.

Infrastructure

The City of Evansville will use its best efforts, working with Fisher, Stag II Evansville B LLC (property owner of proposed project) and the property owner of St. George Place (owner of roadway), to obtain access for public use at the end of the roadway identified as Ward Road located to the east of the property located at 2701 St. George Road, Evansville, IN should Fisher determine that their project is best suited for that location.

Ancillary Services

We recognize your need to have certain value-added manufacturing service(s) provided within or near your project site in order to compete effectively and efficiently. We will work with the manufacturing service(s) to provide similar tax incentives described herein, based on the investment being made, the number of employees, and the average wage.

Limitation on City Obligations

The City's financial obligations to *Fisher* with respect to the Project shall be limited to the Financial Assistance Commitment described above. *Fisher* shall be responsible for completion of the Project, including but not limited to, personal property investment.

Approvals

The Incentives are subject to further local action and approvals, which the City will pursue promptly upon acceptance hereof by *Fisher*.

Conditions

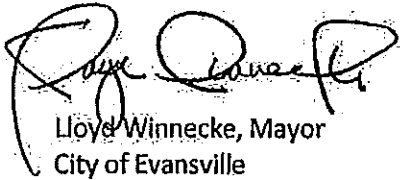

The Incentives are based upon *Fisher* (a) creating 166 additional positions at the Project location by the dates and with hourly wages as described in the Indiana Project Profile and (b) making the investment in personal property in the amounts and by the dates as described within the Indiana Project Profile.

If for any reason *Fisher* does not timely fulfill the employment, hourly wage, or projected investment, the City reserves the right, by Indiana Statute or pursuant to the terms of the above noted Project Agreement, to receive back from the Company a rebate of the Incentives pursuant to the terms of the Project Agreement.

The City will limit its investment to the amount of the Financial Assistance Commitment. It shall be the responsibility of *Fisher* to provide for all costs associated with the Project, including but not limited to, investment in property.

The City's offer will remain available for written acceptance by *Fisher* until September 8, 2014. Please confirm your acceptance hereof by dating, signing and returning a signed copy. We are excited about *Fisher's* Project and look forward to working with you to ensure that your company continues its success in our community.

Sincerely,

Lloyd Winnecke, Mayor
City of Evansville

LW/mc

Date: 10-21-14

J.E. Blake - V.P. FINANCIAL -
Printed Name and Title

August 7, 2014

John Hrit
Vice President, Operations
Fisher & Company
33310 Fisher Dr.
St. Clair Shores, MI, 48082

Project ID: 416955

Dear Mr. Hrit:

The Indiana Economic Development Corporation ("IEDC") is pleased to learn that Fisher & Company (the "Company") is considering Vanderburgh County as a site for its attraction ("Project"). We have been advised that the Project involves a capital investment of approximately \$13,000,000 and the creation of approximately 169 net new full-time positions for Indiana resident employees, earning an average wage of \$19.61 an hour by 2017.

Training Assistance

The IEDC will offer a grant of up to \$100,000 from the Skills Enhancement Fund for training the Company's eligible, Indiana resident employees. This flexible training program will provide partial reimbursement for a wide variety of training costs. The training grant will be for a two (2) year period and will be limited to a maximum of 50% of the Company's eligible training costs.

Economic Development for a Growing Economy Program

The IEDC will offer up to \$1,250,000 in Economic Development for a Growing Economy ("EDGE") tax credits over an eight year period (2015-2022). The calculation is based on the creation of 169 net new full-time positions for Indiana resident employees in connection with the Project, earning an average wage of \$19.61 per hour by the year 2017. In order to receive an EDGE tax credit, the Company must commit to the location and operation of the Project in Indiana for at least two (2) years after the last year in which an EDGE tax credit is claimed.

The proposal set forth in this letter shall remain available for acceptance by the Company until September 8, 2014. Failure to respond by this date will result in cancellation of this offer of assistance. As we proceed forward, the base employment level will be verified upon receipt by the IEDC of the Company's employment level certification. The Commencement Date of any incentive agreements resulting from this offer shall be the date of this letter, which means that the company's performance only after that date will be incentivized with tax credits and/or grants, as outlined above. Upon request, the Company must also provide the IEDC an update on the status of the Project. All incentives are subject to the final review and approval of the IEDC. This letter supersedes any and all previous correspondence concerning this project.

The Company accepts the above offer of the Indiana Economic Development Corporation and desires to work with the IEDC to confirm all application information and complete these incentives through the negotiation and execution of final incentive agreements, all in due course. The company affirms that the IEDC incentives offered in this letter are a major factor in the Company's decision to proceed with the project as summarized herein. The undersigned represents that he or she is duly authorized to accept this offer on behalf of the Company.

PRIVACY NOTICE

The cost and any specific individual's salary information is confidential; the balance of the filing is public record per IC 6-1.1-12.1-5.1 (c) and (d).

INSTRUCTIONS:

1. This statement must be submitted to the body designating the Economic Revitalization Area prior to the public hearing if the designating body requires information from the applicant in making its decision about whether to designate an Economic Revitalization Area. Otherwise this statement must be submitted to the designating body **BEFORE** a person installs the new manufacturing equipment and/or research and development equipment, and/or logistical distribution equipment and/or information technology equipment for which the person wishes to claim a deduction. "Projects" planned or committed to after July 1, 1987, and areas designated after July 1, 1987, require a STATEMENT OF BENEFITS. (IC 6-1.1-12.1)
2. Approval of the designating body (City Council, Town Board, County Council, etc.) must be obtained prior to installation of the new manufacturing equipment and/or research and development equipment and/or logistical distribution equipment and/or information technology equipment, **BEFORE** a deduction may be approved
3. To obtain a deduction, a person must file a certified deduction schedule with the person's personal property return on a certified deduction schedule (Form 103-ERA) with the township assessor of the township where the property is situated. The 103-ERA must be filed between March 1 and May 15 of the assessment year in which new manufacturing equipment and/or research and development equipment and/or logistical distribution equipment and/or information technology equipment is installed and fully functional, unless a filing extension has been obtained. A person who obtains a filing extension must file the form between March 1 and the extended due date of that year.
4. Property owners whose Statement of Benefits was approved after June 30, 1991, must submit Form CF-1 / PP annually to show compliance with the Statement of Benefits. (IC 6-1.1-12.1-5.6)
5. The schedules established under IC 6-1.1-12.1-4.5(d) and (e) apply to equipment installed after March 1, 2001. For equipment installed prior to March 2, 2001, the schedules and statutes in effect at the time shall continue to apply. (IC 6-1.1-12.1-4.5(f) and (g))

FOR USE OF THE DESIGNATING BODY

We have reviewed our prior actions relating to the designation of this economic revitalization area and find that the applicant meets the general standards adopted in the resolution previously approved by this body. Said resolution, passed under IC 6-1.1-12.1-2.5, provides for the following limitations as authorized under IC 6-1.1-12.1-2.

A. The designated area has been limited to a period of time not to exceed _____ calendar years * (see below). The date this designation expires is _____.

B. The type of deduction that is allowed in the designated area is limited to:

- | | | |
|--|------------------------------|-----------------------------|
| 1. Installation of new manufacturing equipment; | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| 2. Installation of new research and development equipment; | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| 3. Installation of new logistical distribution equipment. | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| 4. Installation of new information technology equipment; | <input type="checkbox"/> Yes | <input type="checkbox"/> No |

C. The amount of deduction applicable to new manufacturing equipment is limited to \$ _____ cost with an assessed value of \$ _____.

D. The amount of deduction applicable to new research and development equipment is limited to \$ _____ cost with an assessed value of \$ _____.

E. The amount of deduction applicable to new logistical distribution equipment is limited to \$ _____ cost with an assessed value of \$ _____.

F. The amount of deduction applicable to new information technology equipment is limited to \$ _____ cost with an assessed value of \$ _____.

G. Other limitations or conditions (specify) _____

H. The deduction for new manufacturing equipment and/or new research and development equipment and/or new logistical distribution equipment and/or new information technology equipment installed and first claimed eligible for deduction on or after July 1, 2000, is allowed for:

- | | |
|-------------------------------------|--------------------------------------|
| <input type="checkbox"/> 1 year | <input type="checkbox"/> 6 years |
| <input type="checkbox"/> 2 years | <input type="checkbox"/> 7 years |
| <input type="checkbox"/> 3 years | <input type="checkbox"/> 8 years |
| <input type="checkbox"/> 4 years | <input type="checkbox"/> 9 years |
| <input type="checkbox"/> 5 years ** | <input type="checkbox"/> 10 years ** |

** For ERA's established prior to July 1, 2000, only a 5 or 10 year schedule may be deducted.

Also we have reviewed the information contained in the statement of benefits and find that the estimates and expectations are reasonable and have determined that the totality of benefits is sufficient to justify the deduction described above.

Council Meeting 12/8/2014

SUBJECT: The Growth Alliance has worked closely with Fisher Dynamics to assist them in their location decision for a new manufacturing operation.

Fisher & Company is the parent company for Fisher Dynamics, a seating-systems and mechanisms company and Fisher Dynamics Metal Forming, a safety-critical precision metal parts company. A family-owned business, Fisher & Company brings four generations of manufacturing experience to today's industry challenges.

Fisher Dynamics is the automotive industry's premier supplier of seat mechanisms. They design and manufacture seat structures, recliners, latches, and specialty mechanisms for passenger vehicles with offices in North America, Mexico, Germany, India, and China.

- Unmatched Industry Experience
- Total Focus on Safety
- Best-in-Industry Engineering
- Global Capability with High-Value Manufacturing

Fisher Dynamics Metal Forming is a paramount manufacturer of high strength, tight tolerance stampings, complex fine blankings and precision broachings. They form many types of safety-critical precision metal parts for many applications for customers located in North America, Europe, and Asia. Though not part of this project is it exemplifies:

- Unparalleled Industry Knowledge
- Concentration on Precision
- Best-in-Class Forming and Die Design
- Worldwide Aptitude with High-Capacity Forming

Fisher will be hiring 169 new jobs to the City of Evansville/Vanderburgh County.

They are considering an Investment in Evansville according to the following:

- **\$8 million in New Equipment** (personal property) to Indiana
- **\$1,000,000 New Infrastructure** (real property) Upgrades at 2301 St. George warehouse utilizing approximately one-quarter of one building {formerly Whirlpool warehouse}
- **Nearly, \$500,000 in rental payments each year**

With this investment comes the addition of **169 new jobs with average wage rate of \$19.61/hour, plus benefits.**
